- Is there an identification card for the vision plan?
 - Unlike the medical and pharmacy plans, there is no identification card provided for the vision plan. Your VSP provider will contact VSP to verify your eligibility prior to your scheduled appointment.
- Can I join this year and re-join in two years when I'll need glasses again?
 - The Vision Plan requires continuous enrollment. Therefore, if you choose not to continue your enrollment after you receive your first year of benefits, you will be required to pay one year's lapsed premium if you later wish to re-enroll.
- What if I am already in the plan, do I need to re-enroll?
 - You will receive an invoice for the coming plan year.
