

Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services Medical and Dental Benefits Plan: HSA

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1.800.642.6543, or visit <u>www.pbucc.org</u>. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary/ or call 1-800-642-6543 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	Medical: Individual/Family \$3,000/\$6,000 <u>network</u> <u>providers</u> , \$9,000/\$18,000 <u>out-of-</u> <u>network providers</u> . Doesn't apply to <u>preventive services</u> . Dental: Individual/Family \$100/\$200.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.pbucc.org/images/pbucc/publications/Health/Non-Medicare_Highlights.pdf
Are there other deductibles for specific services?	Yes, separate \$100 <u>deductible</u> per person for orthodontics. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	For <u>network providers</u> \$6,900 individual / \$13,800 family; for <u>out-of-network providers</u> \$20,000 individual / \$40,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Will you pay less if you use a <u>network provider</u> ?	Yes. Call <b>1-866-763-9471</b> or see <u>www.highmarkbcbs.com</u> for a list of network providers. Call 866- 851-7576 or see www.ucci.com for a list of dental network providers.	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Except in limited instances, no physician referrals are required.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but some limited instances require you have a <u>referral</u> before you see the <u>specialist</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
